

# Upper Providence Elementary School

## Buy-a-Brick Campaign

*Pave the way... One brick at a time*

Upper Providence Elementary School invites you to become a permanent part of our school by purchasing a commemorative brick for our pond walkway. The walkway will be installed along the perimeter of the pond for all to see beginning in the Spring of 2011!

The Upper Providence Pond Project began three years ago as a memorial in honor of teacher, Carol Lippy. After an immensely successful fundraiser, the pond was installed in April of 2008. Our pond is the centerpiece of the vision for an outdoor classroom. This is where UPE students can actively learn in their environment. When complete, the area will include seating for a class and various areas where students can observe, explore, and nurture habitat growth

Here is how you can help. By purchasing a brick, you can leave a legacy and help our school at the same time. Engraved on your custom brick could be...

*Family name(s)*

*Student or alumni's name and year of graduating class*

*Business name*

*Organization name*

*In honor of someone special*

*In a loved one's memory*

Bricks are available in two sizes, 4x8 and 8x8. Engraved lines cannot exceed 15 characters. Please see the order form on reverse side.
