

UPE School Store

School Store is an opportunity for our children, 1st thru 4th graders, to shop on "their own" (with the assistance of adult helpers!) Most items in our School Store are priced \$1.00 and below. Students may spend a maximum of four dollars each time. School Store is optional. However, if you would like your child to participate, please send money in with your child on the day of their grade's School Store date.* Also, send in your child's money in an envelope labeled with his/her name (this is especially helpful for the first and second graders)!
